VISMARA DESIGN®

# What we do?

We are specialized in the manufacturing of Pool Tables. Our professional pool tables are the result of a long craft tradition, whose secrets have been developed and bequeathed for three generations.

This artisanal work requires patience and considerable efforts and this is why only few experts and enthusiasts keep practising it today.

Pool Table

A black and white photograph showing a hand-drawn architectural sketch of a pool table on a piece of paper. A hand is holding a pen over the sketch, which includes a rectangular pool table with a cue ball and a pocket. The background is dark and out of focus, showing other papers and a hand. The text "a pool table can be a timeless investment for any home" is overlaid in white serif font.

a pool table can be a timeless  
investment for any home

# MONO

Pool Table

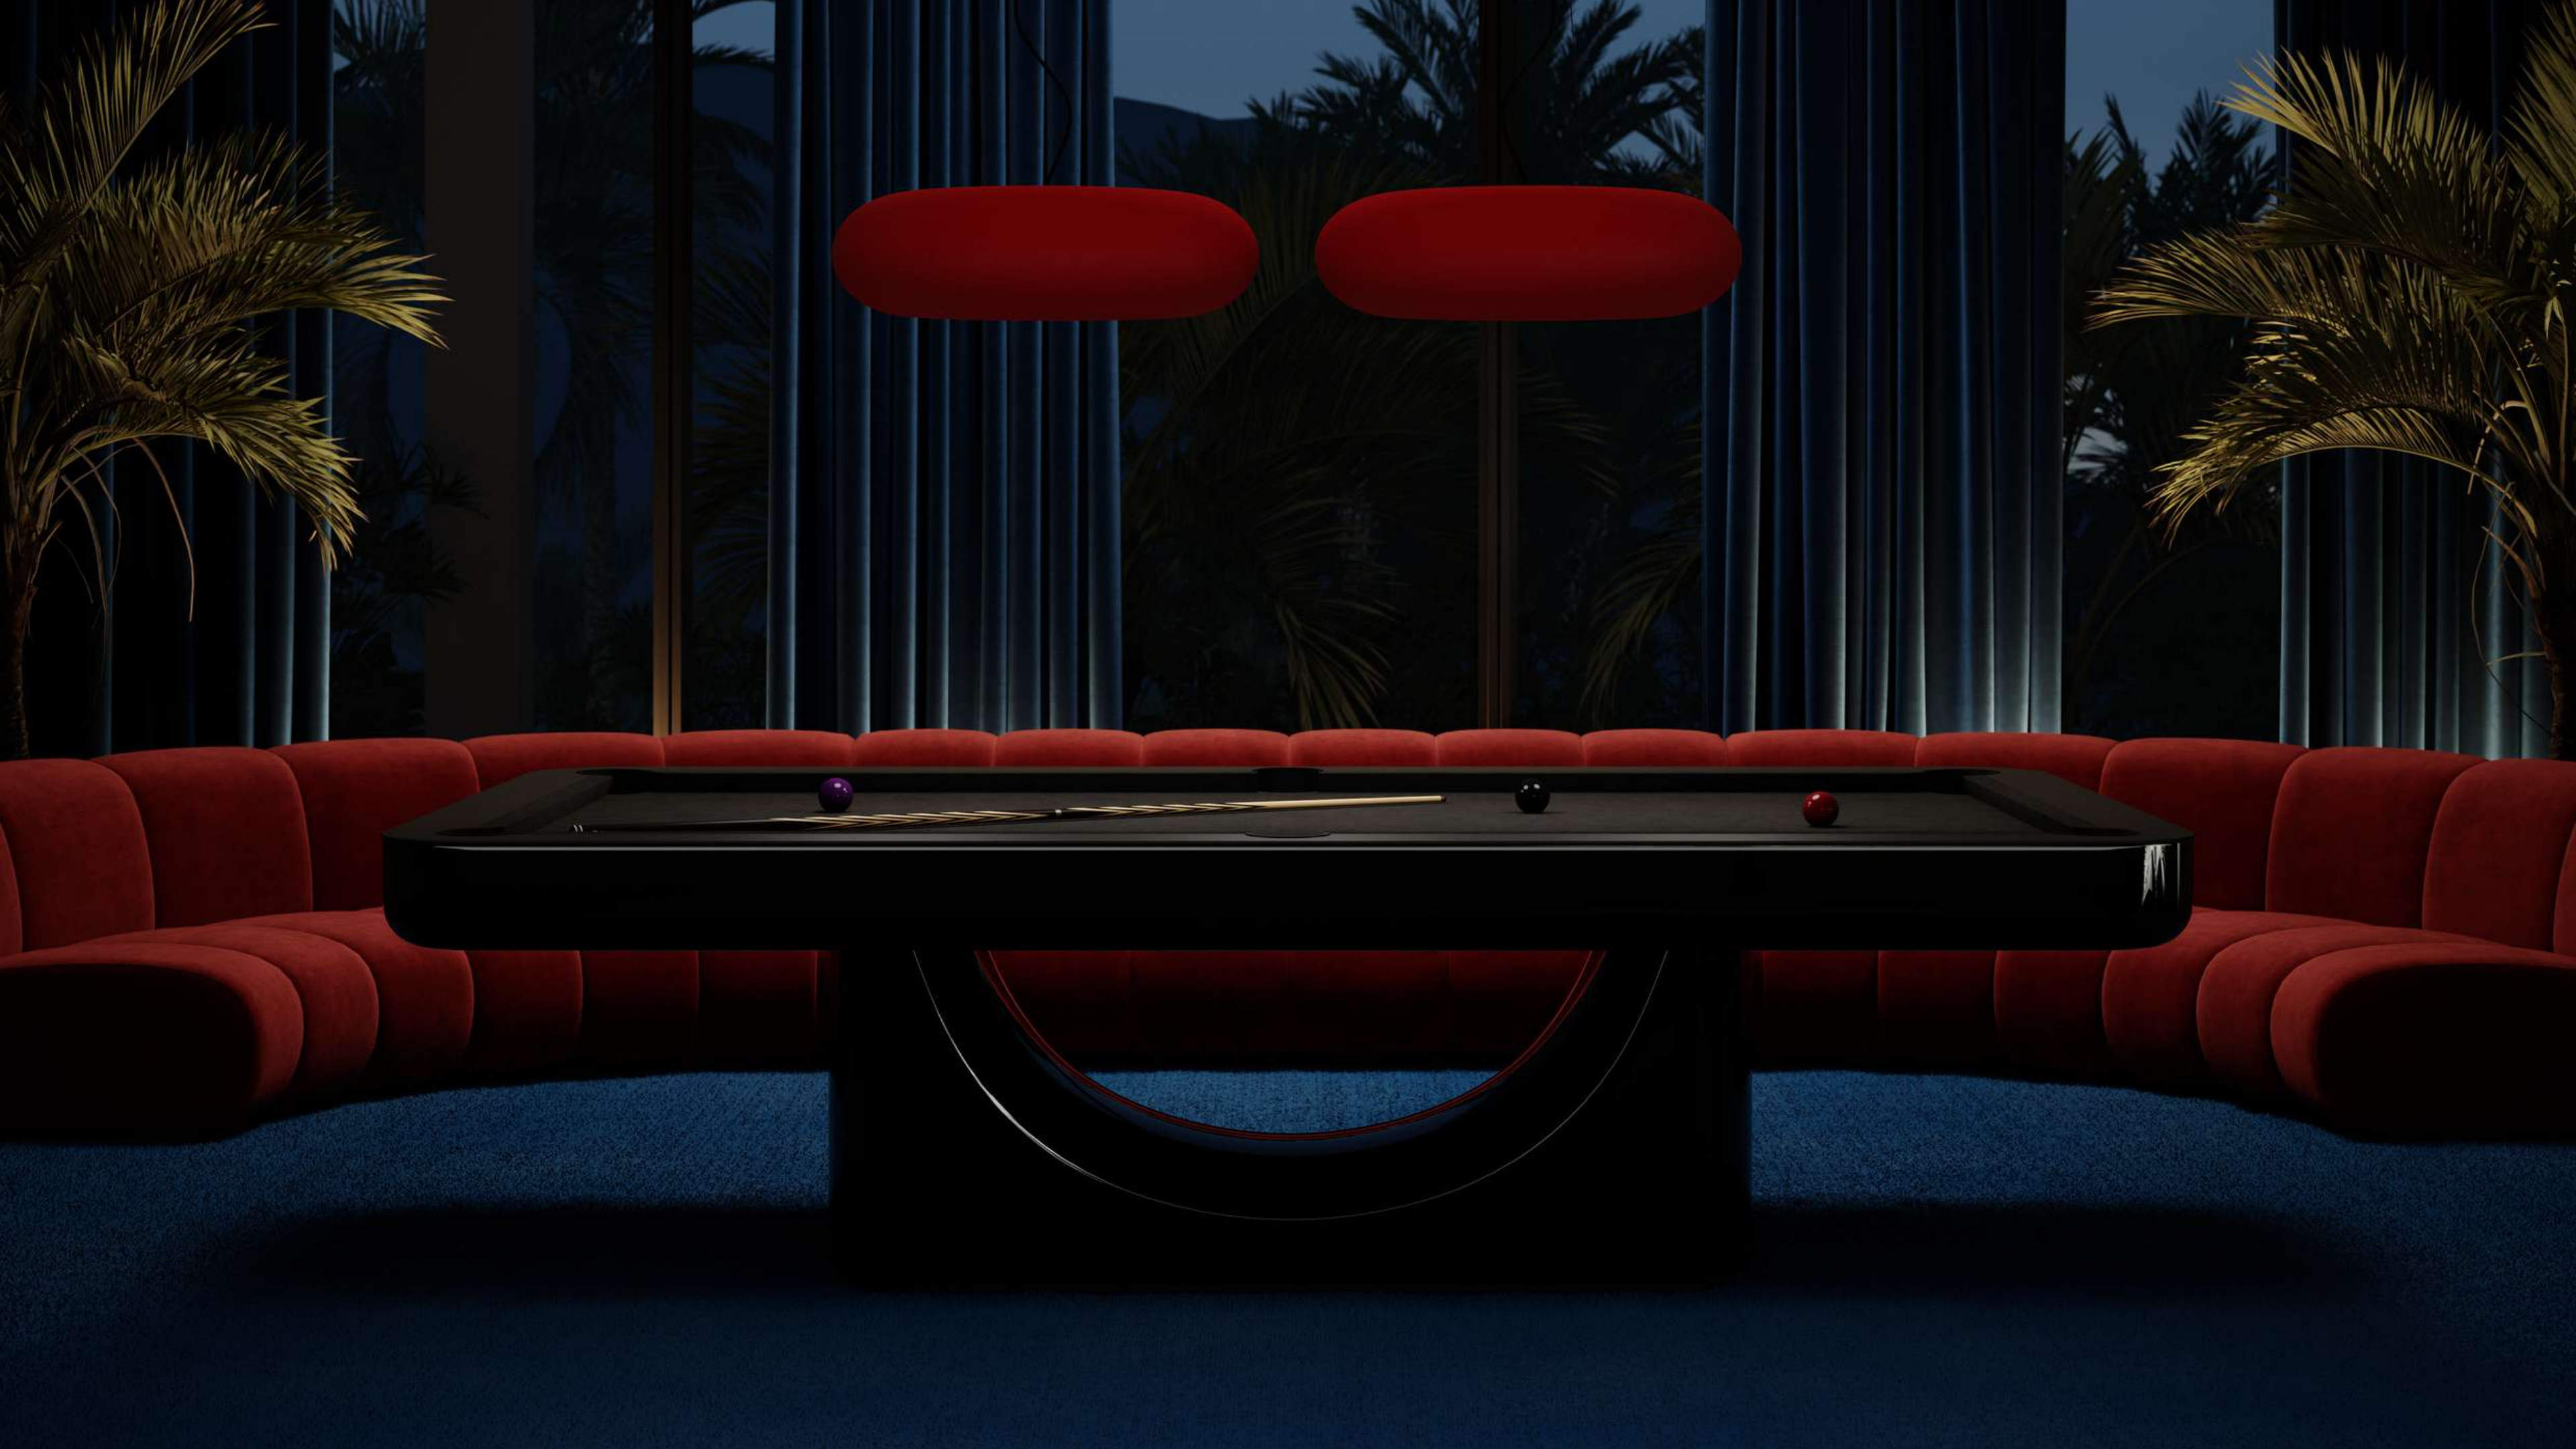

Mono Pool Table is the first Vismara Pool Table with a central base.

The design is conceived by Bellavista & Piccini Studio. Mono big base maintains an essential but high-impact design.

Mono is a professional billiard table made to be enjoyed by amateurs and professionals.

It is equipped with a slate playing top covered with Simonis professional cloth

# DANDY

Pool Table

Dandy is a professional Pool Table designed in collaboration with Bellavista & Piccini studio.

The beauty of Dandy Pool Table comes from its simplicity: clean lines, essential design and fine materials.

The greatest quality of Dandy is the perfect balance between form and function. It is a professional pool table, with slate playing surface covered with cloth from leading company Simonis. What makes Dandy Pool Table special, is that it is completely covered in leather, like a tailored suit. The softness of leather gives elegance and sophistication to this extremely contemporary pool table. The top edges are in Canaletto Walnut or Makassar Ebony.

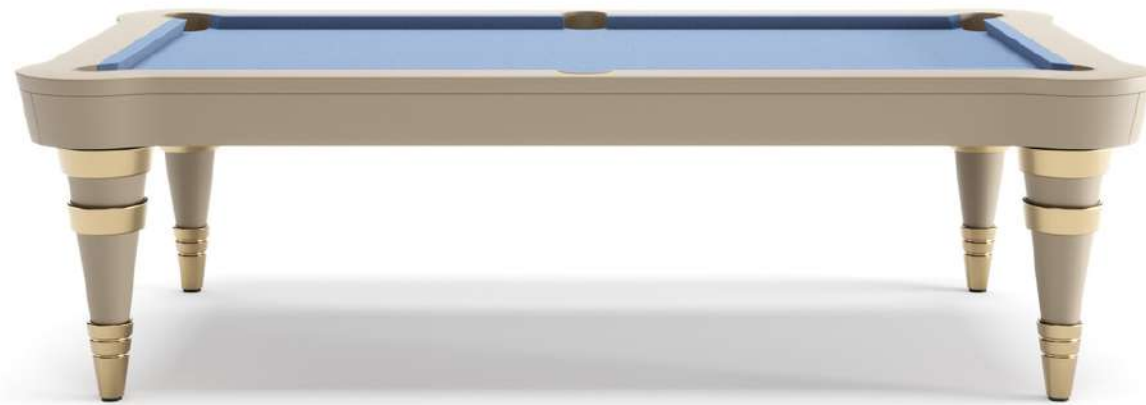

# REGIS

Pool Table

Regis is an elegant and refined Pool Table, which maintains all the typical characteristics of professional game tables.

The soft lines and sinuous design make Regis a light and sophisticated product.

The playing surface of the Regis is made of slate plates covered with playing cloth from the leading company Simonis. The holes are covered in leather.

The structure of Regis is embellished with steel details and fine leather. Regis can be realized in different colours. Thanks to a wide choice of leathers, lacquered colours and steel finishes, each client can have its personal Regis Pool Table. As a useful accessory, Regis Pool Table can have lacquered removable top divided in three pieces, in order to convert the Pool Table into a dining table.

# ALHAMBRA

Pool Table

The Capsule Alhambra Pool Table was born from the desire to pay homage to the Andalusian style and the grandeur of a unique building of its kind. The Alhambra in Granada is a magnificent arabesque complex that surprises and fascinates. The details are endless, its style is rich and refined at the same time. The Alhambra Pool Table is made up of thin shiny gold sticks that create a dynamic design, reminiscent of Arabic shapes.

Alhambra Pool Table is design in collaboration with Bellavista & Piccini Studio.

# NEWDE

Pool Table

The Newde professional Pool Table is made following the Italian manufacturing tradition and using the highest quality materials. Newde Pool Table style is strongly contemporary, the design is very modern without losing its originality. The framework is in solid wood, the playing surface is made of slate slabs and covered with a soft professional carpet, produced by the leading company Simonis.

The attention to detail is also visible in the the holes, covered in leather.

Newde Pool Table is available for different types of games from Snooker to American Pool up to the Russian Pyramid.

# DESIRE

Pool Table

The Desire Pool Table is made following the Italian manufacturing tradition and using the highest quality materials.

The main feature of Desire pool table is the decoration on the sides. These are precious inserts that embellish the pool table.

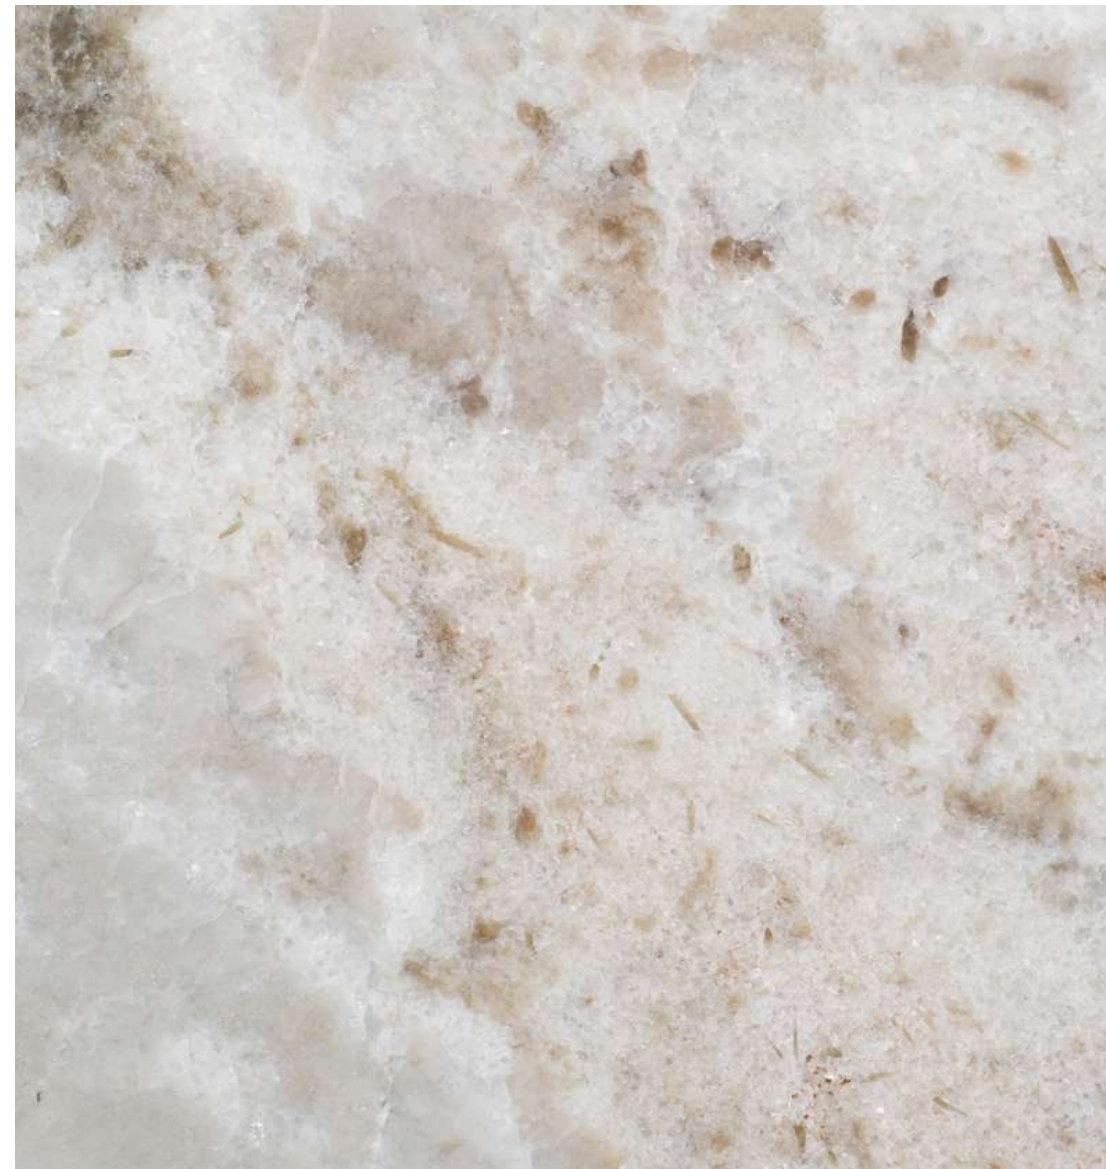

By playing with marbles, briars, inlays and metal fibers, client can customize the pool table according different tastes and style of the home.

The framework of Desire Pool Table is in solid wood, the playing surface is made of slate slabs and covered with a soft professional carpet, produced by the leading company Simonis.

A close-up, artistic photograph of a pool table. The table's surface is a light-colored felt with a dark, striped pattern. A pool cue with a dark handle and a light-colored shaft lies across the table. Three pool balls are visible: a blue ball, a purple ball, and a green ball. The cue is positioned as if about to strike the blue ball. The lighting is soft and directional, creating subtle shadows and highlights on the felt and the balls. In the background, a white cylindrical planter with green plants is partially visible.
