DRY

Home Bar

Description

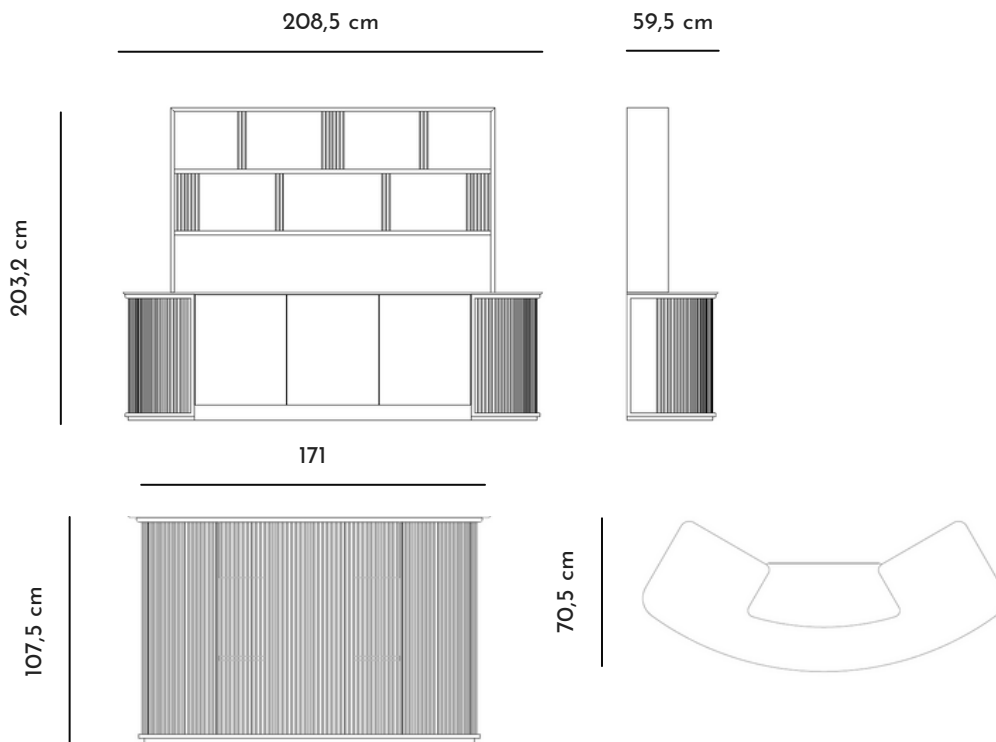

Dry is a modern and essential home bar.

Its aesthetic is balanced and sleek, its design is perfect to furnish modern game rooms and living areas. Thin sticks give harmony and lightness to this great design piece.

Dry is composed by two pieces: the counter and the wall cabinet. The counter is a modern curved pieces with working space, and the wall element is the place where to put and showcase precious bottles.

This element is composed by doors compartments, and on sight shelves to store bottles and glasses.

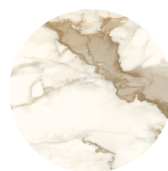

The counter and wall element have a polished Calacatta Vecchia Macchia ceramic top, beautiful and very resistant.
