

CLASSIC Pool Table

CL.POO

Description

Classic professional pool table is made following the Italian manufacturing tradition and using the highest quality materials.

Classic pool table is available in different styles: baroque, art deco, classic, mosaik, pyramid. Each style has specific characteristics, details that make it unique. Carvings, handmade mosaics, small decorative pyramids. These elements give a strong character to the pool table, which blends perfectly with classic environments and traditional atmospheres.

The framework is solid wood, the playing surface is made of slate sheets and coated with a professional soft cloth, produced by the leading company Simonis. The attention to details is also reflected in the coverage of pockets, rigorously in leather or eco leather.

Vismara Pool Tables are available in different kind of cue games, from Snooker to American Pool, from Russian Pyramid to Italian Billiard.
